

SUBJECT: SERE 100 ONLINE TRAINING

1. BACKGROUND: All personnel entering USSOUTHCOM, USPACOM, USCENTCOM, USEUCOM and USAFRICOM geographic combatant commands are required to complete SERE 100 Code of Conduct training to meet established Theater entry requirements. This course is preferably accomplished through Joint Knowledge Online (JKO), which is the established method to record joint course completion. Other servers throughout the DoD may provide access to SERE 100, but have no consolidating electronic data-basing capability of completed courses as does JKO. Individuals who have completed level B SERE training (8-hour VHS or DVD presentation) or level C SERE training (Service SERE schools) at any point in their career need not complete SERE 100 considering that proof of training exists.
