

**Joint Forces Command
Joint Experimentation
*Portals and Information Sharing***

LTC Ed McLarney
Mr. Michael Sherman

Current Interagency Support w/ Existing Tools

- *Have been building interagency support with DC-based technical support since fall 2002*
- IWS and SPPS servers were deployed to support collaboration among the National Capitol Region users who work with the J9 Interagency Group
- The CIE team at the JPSD IEC at Fort Belvoir provides on-call support/training for IWS and SPPS users
- Obtain connectivity to all COCOM JIACGs, POLADs and designated Non-DOD government agencies

Current LOE Support

- **Training of 140+ USAID users on USAIDNET IWS clients and SPPS**
 - Planning for support extending to Iraq, Afghanistan, India and Horn of Africa
- **SPPS/IWS Support Priorities for Interagency Group Projects**
 - Unified Quest 06 (NWC – Exercise In Execution)
 - CJTF-Horn of Africa/USAID Collaboration (NGO Conference – May06)
 - Unified Action Planning: (J5 Joint Staff; OSD Policy; Others TBD – ongoing support)
 - USAID Office of Military Affairs

Experimental Roadmap

- Inclusion, inclusion, inclusion
 - US Interagency
 - Coalition
 - Coalition Interagency equivalents
 - Non-Governmental Organizations
 - Private Volunteer Organizations
- Technical interoperability thru open standards, service-oriented architecture (SOA)
- Enhance policies and culture; build relationships
- United Action (2007)
 - Stability / Reconstruction / Disaster Relief
 - 80% non-military
 - Data mining, data modeling, and data visualization
 - Collaborative enablers
- Multinational Experiment #5 (2008)
 - Similar and expanded scenario
 - Majority coalition and interagency
 - Robust SOA; partner with DISA, others
 - Multinational Information Sharing / Cross-domain (different classifications of networks) information sharing
 - >1000 participants, globally distributed

How to Participate

- Policies; Tactics, Techniques, Procedures; Culture; Relationships
 - Bring an enthusiastic brain! – Ideas, discourse, solutions
 - UA: Mr. Phil Kearley – kearleyp@je.jfcom.mil
 - MNE5:
 - MAJ Tim Millen – millent@je.jfcom.mil
 - MAJ Thomas Dillingham – dillinghamt@je.jfcom.mil
 - AND Mr. Kearley
- Technical
 - Selection criteria: *Open standards and SOA compliance; reuse; features*
 - LTC Ed McLarney – edward.mclarney@je.jfcom.mil
 - Ms. Alyson Miller – alyson.miller@je.jfcom.mil
 - MAJ Pete Carrabba – carrabbap@je.jfcom.mil
- *What are your requirements???*
