

GOVERNMENT INFORMATION LEADERSHIP MASTER OF SCIENCE DEGREE (GIL M.S.) PROGRAM

The M.S. in Government Information Leadership (GIL) Degree is a selective program that addresses the educational needs of defense and government leaders who seek to lead complex and diverse 21st Century organizations.

The 39-credit curriculum offers a combination of information management, technology, and leadership intensive courses in a collaborative and interactive environment. Students select one of nine concentration areas that correspond to the College's certificate programs.

Degree Concentrations:

- Chief Financial Officer Leadership (CFO)
- Chief Information Officer (CIO)
- Chief Technology Officer (CTO)
- Cyber Leadership (Cyber-L)
- Cyber Security (Cyber-S)
- Enterprise Architecture (EA)
- Government Strategic Leader (GSL)
- Information Operations (IO)
- Information Technology Program Management (ITPgM)

Successful graduates will be able to:

- Employ information and IT for strategic advantage
- Evaluate challenges and opportunities within the context of cyber, homeland, national, and global security
- Apply innovative thinking
- Collaborate across boundaries
- Create productive government organizations
- Lead Information Age organizations

Questions about the master's degree admissions or requirements should be addressed to the Office of Student Services via phone (202-685-6300), or e-mail to iCollegeOSS@ndu.edu.
