

INFORMATION OPERATIONS (IO) PROGRAM

IO Program

- Certificate
- Concentration in Government Information Leadership M.S. Degree

The Information Operations (IO) Program prepares future strategic leaders to effectively integrate and employ the information component of national power in the development and execution of national military and security strategy.

The IO program prepares students to:

- Shape strategy and policy decisions to protect, defend and assure information infrastructures
- Employ strategic plans and operational concepts that apply the tools and doctrinal principles of information operations
- Implement Strategic Communications in support of national security operations and objectives within the “global information battlespace.”
