**NATIONAL DEFENSE UNIVERSITY RELEASES ITS FIRST
RESEARCH HIGHLIGHTS, VOLUME 1 NO. 1**

Dr. Hans Binnendijk and the Office of the Vice President of Research and Applied Learning (OVPR/AL) are pleased to announce the release of the first publication of the National Defense University's [*Research Highlights*](#), Vol.1 No.1.

[*Research Highlights*](#) provides insight into the range of OVPR/AL research products including publications, major trip reports, significant conferences/seminars, and applied learning/simulations.

This preview of current/recent research projects is an indispensable companion to anyone that relies on keeping up with the latest in security studies and strategic thinking. Chinese naval operations, the global commons, simulations of global pandemics and more can be found in this publication.

[*Research Highlights*](#) is the gateway to the body of knowledge being produced at the National Defense University.

The Office of the Vice President of Research and Applied Learning (OVPR/AL) operates directly under the President of the National Defense University (NDU) and is responsible for promoting and supporting research and synthesizing the research, publication, and applied learning activities of the Institute for National Strategic Studies (INSS) core research centers, NDU Press, and the Center for Applied Strategic Learning (CASL).

The opinions, conclusions, and recommendations expressed or implied within are those of the contributors and do not necessarily reflect the views of the Defense Department or any other agency of the Federal Government. Visit NDU Press online at www.ndupress.edu.

The National Defense University is the nation's premier center for joint professional military education. The university is an accredited graduate-level institution that provides an educational and research environment to prepare future leaders of the armed forces and other civilian agencies for high-level policy, command, and staff responsibilities.

The mission of the Institute for National Strategic Studies is to conduct strategic studies for the Secretary of Defense, Chairman of the Joint Chiefs of Staff, and the Unified Combatant Commands to support the national strategic components of the academic programs at NDU and to provide outreach to other US governmental agencies and to the broader national security community.
