Attributes

STRATEGIC/OPERATIONAL FOCUS

NON-BIASED "NOT FOR ATTRIBUTION"

ACADEMIC/MILITARY

INTERACTIVE

What We Do – why gaming?

Adult Learners* are:

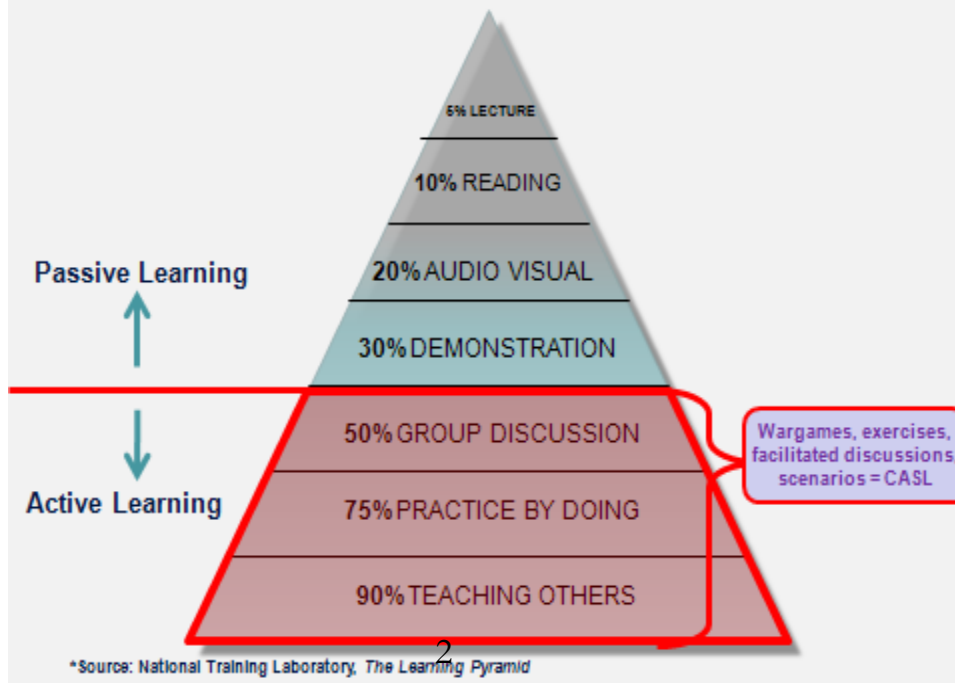

- Self-directed
- Practical and problem solvers
- Want to participate
- Have a life-time of experience
- Need to apply concepts to real-life situations

**Source: Center for Applied Linguistics*

Experiential Learning is:

- Games, simulations or exercises
- Application of understanding in a new & different situation
- Synthesis of concepts, applied in a situation where information must be gathered, analyzed, categorized & interpreted
- Under time sensitive circumstances

Average Adult Learning Retention Rates

CASL Competencies:

- Sole provider of **strategic** and **operational** wargaming and other active learning methods to NDU JPME and other academic institutions
- **Key enabler** for JPME students to test concepts, plans, and strategies in a low-risk, challenging environment, using innovative thinking and approaches to complex national security issues
- **Superior and cost effective** support to NDU's mission, delivering the highest caliber Joint education
