

# Strategic Plan Goal Four: University Improvement

- National Defense University evolves and reforms the processes, practices, structures, organization, and culture to foster institutional collaboration and integration.
  - Sub-Goal 4.1: National Defense University leads in the transformation/evolution of joint professional military education for 2020 and beyond.
  - Sub-Goal 4.2: National Defense University values and promotes an institutional environment and culture of trust and openness.
  - Sub-Goal 4.3: National Defense University continually pursues institutional and academic excellence via improvement and renewal.
