The collected information will be used by election officials to process uniformed service members, spouses and overseas citizens who submit their information to register to vote, receive an absentee ballot or cast a write-in ballot. The collected information will be retained by election officials to provide election materials, including absentee ballots, to the uniformed services, their eligible family members and overseas voters during the form's eligibility period provided by State law. No information from the Federal Write-In Absentee Ballot (FWAB) is collected or retained by the Federal government. The applicant is required to update and resubmit the information annually, whenever they change their mailing address or as otherwise required by State law. If the information is not submitted annually or whenever they change their mailing address, the applicant may not receive ballots for elections for Federal office in that calendar year.
