b. FRAGO 20 to HQDA EXORD 144-20 Army Wide Preparedness and Response

c. Commanding General, Military District of Washington Memorandum, Subj: COVID-19 Face Covering Guidance to Garrison Commanders, 8 Apr 20

2. I am committed to preserving community health and will take all prudent and necessary measures to stem the potential transmission of COVID-19 as outlined in the Center for Disease Control (CDC) and DOD guidelines regarding social distancing and face coverings while in public spaces.

3. Therefore, all individuals in public areas and facilities within Joint Base Myer-Henderson Hall and Fort McNair will wear a face cloth covering or mask when six feet of social and physical distance cannot be maintained at all times.

4. Furthermore, I have determined that the recommended six (6) feet of social distance cannot be maintained in the following Joint Base Myer Henderson Hall high traffic areas: AAFES main store and Express, Marine Corps Base Exchange, and the Commissary. All employees and patrons are expected to wear cloth face coverings while in these high traffic areas.

5. Family units within the six feet of social distance with each other are not required to wear cloth face coverings unless they are interacting with the public in any of the ways outlined above.

6. We must take every precaution to flatten the curve, protect ourselves, and protect one another.

7. This policy is effective immediately until rescinded in writing. Point of contact for this action is the Executive Officer, Joint Base Myer-Henderson Hall, at telephone (703) 696-5871.
